

Micah Bradley  
The Preacher

He stands at the pulpit,  
All of the ladies seated  
At least three rows back

Stained glass windows  
Frame him in light as  
He prods at his Bible

My aunt double underlines  
Everything he shouts in red pen  
With exclamation points in the margins

Is she keeping tallies on scripture?  
Or has this balding man somehow  
Added to the red words of Jesus?
